A Special Temporary License may be issued in wet territory to any regularly organized fair, exposition, racing association, nonprofit organization or political campaign function. These licenses are issued for a designated premises for a specified limited time, and shall expire when the qualifying event ends. (See KRS 243.260).

Special Temporary Licenses may be issued to non-profit organizations as well as for-profit entities. For Non-profit organizations, each event is treated separately and requires a complete application and the correct fee.
